

REPUBLICANS ENGAGED IN NOMINATING DEWEY'S RUNNING-MATE TODAY

CHOICE APPEARS TO REST AMONG SENATOR BRICKER OF OHIO, DEWEY'S 1944 RUNNING MATE; SENATOR KNOWLAND OF CALIFORNIA, AND HOUSE MAJORITY LEADER HALLECK

Some Support Appears for Harold E. Stassen, Defeated Presidential Candidate, Who Stated During Campaign He Would Not Run with Dewey — Speed To Be the Order of The Day to Enable Delegates to Start for Their Homes Tonight.

PHILADELPHIA, June 25.—(INS)—The Dewey-managed 1948 Republican National Convention meets for the last time today to nominate a vice-presidential running-mate for Gov. Thomas E. Dewey of New York.

Second place on the "victory" ticket will go to a man picked by Dewey with the approval of other GOP leaders.

The choice appeared to rest among Sen. John W. Bricker of Ohio, Dewey's 1944 running-mate; Sen. William F. Knowland of California and House Majority Leader Halleck of Indiana.

There was some support for Harold E. Stassen, defeated presidential candidate, who said during his campaign he would not run with Dewey.

The final session of the convention was called to convene at 10:30 a. m., EDT, by House Speaker Joseph W. Martin Jr., permanent chairman of the historic convocation.

Speed was to be the order of the day to enable weary delegates to start homeward tonight.

The party's business in Philadelphia will be completed late today at a meeting of the Republican National Committee, when a new national chairman will be chosen to handle the Dewey campaign.

Herbert Brownell, Jr., who headed the Committee for Dewey's unsuccessful 1944 campaign, was a top favorite in most speculation. Brownell, a New York attorney, retired as chairman two years ago for financial reasons. He was expected to take the assignment this time if Dewey requests it.

Two others were reported strongly in the running—Rep. Leonard Hall of New York, chairman of the GOP Congressional Campaign Committee, and Harry Darby, of Kansas City, Republican National Committee man from Missouri.

Hall comes from Nassau County, the home territory of one of Dewey's chief campaign lieutenants, national committeeman J. Russell Sprague. Sprague, Brownell and Ed Jaekle comprised the trio which master-minded the Dewey nomination strategy.

Delegates and spectators, physically wrung-out by Wednesday's into-the-dawn session for the nominating speeches, sweltered in the steaming Convention Hall through two ballots which failed to produce a presidential nomination yesterday afternoon.

But victory was within Governor Dewey's grasp when the Convention recessed at 5 p. m., EDT. When it

CONVENTION FLASH

Convention Hall, Phila.—Gov.

Earl W. Warren of California today was nominated as Republican Candidate for the Vice-Presidency by acclamation.

Gov. Thomas E. Dewey of New York, the Republican Presidential candidate, gave the green light for Warren's nomination and choked off a threatened floor fight for second place on the GOP ticket.

For some strange reason, the name of Harold E. Stassen was not placed in nomination despite a statement from his headquarters that he would "accept if drafted."

Permanent Chairman Joseph W. Martin proclaimed Warren elected unanimously by acclamation when no one placed Stassen's name before the convention.

Miniature "Twister" Tears Down Tree Limbs in Area

High winds accompanied an electrical storm which visited this area early last evening. Tree limbs were blown down in a number of instances, and lightning struck a motor at a Hulmeville mill.

At the height of the storm a huge branch from a tree located in front of the home of Mrs. Dorothy Crowell, 339 Dorrance street, was torn loose, and struck the car of W. B. Lupkin, which was parked in front of his residence at 343 Dorrance street. No damage was inflicted on the car, however.

An electric wire was blown down on Washington street.

At Hulmeville a tree limb was blown onto electric wires at the southern section of Main street. William Penn Fire Company members were called, and remained on the scene until workmen from Philadelphia Electric Company arrived. Flares were placed temporarily. While firemen were on duty at that point a call was received from the O. K. O. Plush Co., where lightning struck a motor in a stone pump house, adjacent to the mill. Langhorne Fire Co. responded to this alarm. Damage was confined to the motor.

MASS ON MONDAY

Rites for Vito Luppino, 907 Pearl street, who died in Nazareth Hospital, Phila., yesterday, are arranged for Monday morning. Relatives and friends, members of Italian Mutual Aid Society, and employees of the Pennsylvania Railroad, are invited to the Galzerano funeral home, 430 Radcliffe street, at nine o'clock. Solemn Requiem Mass will be sung at 10 o'clock in St. Ann's R. C. Church. Interment will be made in St. Mark's Cemetery. Friends may call Saturday or Sunday.

Mr. and Mrs. Arthur Wilkinson, Sr., Croydon, and Mr. and Mrs. John Firman and son John, Morrisville, spent the day with Mr. and Mrs. Arthur Wilkinson, Jr.

Mrs. Walter Foerster was hostess to her card party on Tuesday.

MRS. LYDIA BELMONT

Death early this morning claimed Mrs. Lydia Belmont, of Mill street, in Abington Hospital.

A SUMMARY OF THE NEWS

Delegates believed that House Majority Leader Halleck would be named for Vice-President today, but there was strong support for Mr. Stassen and Senator Bricker of Ohio. Governor Dewey's running mate in 1944.

In Washington, President Truman signed the Selective Service Act. Although the draft will not become effective for 90 days, registration of men from 19 through 25 is expected to start within six weeks. The President also signed a \$3,749,059,250 Navy and Marine Corps appropriation bill.

Soft-coal operators and miners agreed on a new contract, removing all danger of a strike next month. The pact, a sweeping victory for John L. Lewis, provides a \$1-a-day pay increase and doubled industry payments into the welfare fund.

"The Russians 'can't drive us out' of Berlin 'by any action short of war,'" General Clay declared. It was indicated that the Western powers might consider leaving the city if Russian action imposed too great suffering on the Germans. American and British forces patrolled the streets of their sectors and the British placed an economic sanction on the entire Soviet zone of occupation in Germany. A French Foreign Office spokesman

said the real issue was not that of currency but of Russia's desire to rule all of Berlin.

A German peace treaty calling for the withdrawal of occupation troops and a provisional government of all Germany, with the Ruhr under four-power control, was demanded by the Foreign Ministers of Russia and her seven satellites at their Warsaw conference.

The Provisional Government of Israel, threatened by dissident forces, won a 24-7 vote of confidence in the State Council. There were seven abstentions. Plans were laid for a single Israel army. Britain was reported urging the Arabs to prolong the truce in Palestine.

HARRISBURG, June 25.—Construction of 4.84 miles on Traffic Route 191 ("backbone" or "dream" highway, Bristol to Doylestown), in Bristol and Middletown townships, Bucks County, is assured with the award today by the Department of Highways of a contract for the work. S. J. Groves and Sons Company, Woodbridge, N. J., was awarded the contract at its low bid of \$831,050.40.

The project starts on the south at U. S. Route 13 at the junction with the highway leading into Bristol. It extends northward to connect with U. S. 1, the Lincoln Highway. A right-of-way 120 feet in width will be taken for highway purposes. The contract covers concrete pavement 24 feet wide. The road is so designed that as traffic develops two additional traffic lanes can be laid.

For much of the distance, the road will be on relocation to improve grade and sight distance.

Future plans of the Department call for extending the route northward from the Lincoln Highway. When that is done Route 191 will go over the Lincoln Highway by means of a bridge. The present contract calls for construction of a temporary connection with U. S. 1 at grade.

The contract calls for construction of a concrete arch having a span of 28 feet to carry the route over Mill Creek. This will have a roadway 40 feet in width. The channel of the stream will be changed to protect the highway.

Also included in the contract is the rebuilding of 625 feet on the Hulmeville Road. This work will consist of an 8 inch stone base and 2 1/2 inch bituminous surface 16 feet wide.

The contracting firm has 115 working days to complete the project.

Bids for the improvement were received June 11 by the Department. In addition to the low bid submitted by the Groves Company other concerns submitting proposals were: Berlant Construction Co., Inc., Harrison, N. Y., \$856,443.42; Union Paving Co., Philadelphia, \$892,669.30; Francis A. Canuso and Son, Philadelphia, \$935,277.85 and George M. Brewster and Son, Inc., Bogota, N. J., \$959,046.65.

Heart Attack is Fatal To A. R. Herter, Pennel

PENNDLE, June 25.—Although in ill health for some time, death, which is attributed to a heart attack, occurred suddenly for Alfred R. Herter, in Abington Hospital, shortly before midnight, Wednesday.

Mr. Herter, a native of Karlsbad Springs, Bohemia, had lived in this section for approximately 40 years. He formerly lived at Parkland, and of recent years resided at Crescent street and Hulmeville avenue.

The deceased, who was 65 years of age, is survived by his wife, Anna Florence Herter (nee Minniger), also by two sisters and a brother who live in Austria.

Mr. Herter, a textile worker, had for many years been employed at industrial plants here.

Service at 8:45 Monday morning will be at the Faust funeral home, Hulmeville, with interment in Union Cemetery, Allentown. The Rev. William S. Heist, pastor of Evangelical Lutheran Church of the Redeemer, will officiate. Friends may call Sunday evening from seven to nine. It is requested that flowers be omitted.

PICNIC TOMORROW

Scholars of Calvary Baptist Sunday School will participate in a picnic tomorrow at Hulmeville Park. Free bus transportation will be provided from the church, Bristol Terraces I and II, and also from Croydon.

Former classmates at Morrisville high school were entertained by Charles Youm, at his home, 1527 Wilson avenue, on Wednesday evening at dinner and chess. Guests were: Messrs. Charles Wundt, Edward Shauer, Harry Hoffman, Jr., Morrisville; and John Warren, Bristol.

Alvin F. Bishop, Newtown, Is Named Defendant In Case

STRUCK BY A TRUCK

DOYLESTOWN, June 25—Two libels in divorce, two of the libellants being residents of Yardley, and a truck-pedestrian damage claim aggregating \$50,000, have been filed in the Court of Common Pleas, here.

Alvin F. Bishop, 129 East Washington street, Newtown, has been named the defendant in an action in trespass by Walter G. German, Wrightstown township, who is suing for \$50,000.

According to the statement of claim, the complainant was walking along the highway, near The Anchor, after having placed a herd of cattle in a field, when he was struck.

The accident happened at nine o'clock in the morning, September 27, 1947, on Route 113, the Newtown-Pineville road. The truck was carrying plumbing equipment and pipes when it struck the plaintiff.

John B. Lane, whose address is Chestnut Hill, Mass., 31 Fisher Place, Trenton, N. J., or Radcliffe street, Bristol, has been named the respondent in a libel in divorce filed by his wife, Leona S. Lane, 71 North Main street, Yardley. They were married Nov. 29, 1946, in All Saints Trinity Episcopal Cathedral, Trenton, N. J., and separated April 6, this year.

Guy Albert Galloway, Yardley, has begun an action in divorce against his wife, Elizabeth L. Galloway, "somewhere in Massachusetts." They were married Nov. 19, 1927, in Providence, R. I., and separated in August, 1931.

Special to Courier

HARRISBURG, June 25—Construction of 4.84 miles on Traffic Route 191 ("backbone" or "dream" highway, Bristol to Doylestown), in Bristol and Middletown townships, Bucks County, is assured with the award today by the Department of Highways of a contract for the work. S. J. Groves and Sons Company, Woodbridge, N. J., was awarded the contract at its low bid of \$831,050.40.

The project starts on the south at U. S. Route 13 at the junction with the highway leading into Bristol. It extends northward to connect with U. S. 1, the Lincoln Highway.

A right-of-way 120 feet in width will be taken for highway purposes. The contract covers concrete pavement 24 feet wide. The road is so designed that as traffic develops two additional traffic lanes can be laid.

For much of the distance, the road will be on relocation to improve grade and sight distance.

Future plans of the Department call for extending the route northward from the Lincoln Highway. When that is done Route 191 will go over the Lincoln Highway by means of a bridge. The present contract calls for construction of a temporary connection with U. S. 1 at grade.

The contract calls for construction of a concrete arch having a span of 28 feet to carry the route over Mill Creek. This will have a roadway 40 feet in width. The channel of the stream will be changed to protect the highway.

Also included in the contract is the rebuilding of 625 feet on the Hulmeville Road. This work will consist of an 8 inch stone base and 24 inch bituminous surface 16 feet wide.

The contracting firm has 115 working days to complete the project.

Bids for the improvement were received June 11 by the Department. In addition to the low bid submitted by the Groves Company other concerns submitting proposals were: Berlant Construction Co., Inc., Harrison, N. Y., \$856,443.42; Union Paving Co., Philadelphia, \$892,609.30; Francis A. Canuso and Son, Philadelphia, \$935,277.85 and George M. Brewster and Son, Inc., Bogota, N. J., \$989,404.65.

Heart Attack is Fatal
To A. R. Herter, Pennel

PENNDLE, June 25—Although in ill health for some time, death, which is attributed to a heart attack, occurred suddenly for Alfred R. Herter, in Abington Hospital, shortly before midnight, Wednesday.

Mr. Herter, a native of Karlsruhe, Bohemia, had lived in this section for approximately 40 years. He formerly lived at Parkland, and of recent years resided at Crescent street and Hulmeville avenue.

The deceased, who was 65 years of age, is survived by his wife, Anna Florence Herter (nee Minniger); also by two sisters and a brother who live in Austria.

Mr. Herter, a textile worker, had for many years been employed at industrial plants here.

Service at 8:45 Monday morning will be at the Faust funeral home, Hulmeville, with interment in Union Cemetery, Allentown. The Rev. William S. Heist, pastor of Evangelical Lutheran Church of the Redeemer, will officiate. Friends may call Sunday evening from seven to nine. It is requested that flowers be omitted.

PICNIC TOMORROW

Scholars of Calvary Baptist Sunday School will participate in a picnic tomorrow at Hulmeville Park. Free bus transportation will be provided from the church, Bristol Terraces I. and II., and also from Croydon.

Former classmates at Morrisville high school were entertained by Charles Yocum, at his home, 1527 Wilson avenue, on Wednesday evening at dinner and chess. Guests were: Messrs. Charles Windle, Edward Shauer, Harry Hoffman, Jr., Morrisville; and John Warren, Bristol.

SHODDY MERCHANDISE

Is haste making waste in American factories and have standards of quality dropped? There is a man in Cleveland who will give an affirmative answer to these questions. His name is Joseph D. Fox and he is associated with the Industrial Advisors Bureau Inc.

In a letter to Business Week, Mr. Fox says his personal purchasing experiences during the past three years have been "quite unhappy." He then gives a list of 61 items he has bought and which have proved defective. They include furniture with cracks in the wood, shoes whose soles lasted only 10 per cent of normal expectancy, gloves that had to be restitched, nails "soft as butter," pocketbooks with bad zippers, etc.

Mr. Fox wants it understood that none of these commodities were so-called bargains or low cost goods. They all bore the imprint of manufacturers who always have had a reputation for producing quality merchandise.

Mr. Fox hastens to admit that he had no difficulty in having adjustments made. In some cases his money was refunded. In the others the defective merchandise was made whole. But he still was not compensated for the inconveniences suffered.

TRADE WITH RUSSIA

The United States is doing business with Russia again. Since April 8 there has been a virtual embargo on export of American products to the Soviet Union, and shipments valued at more than \$20,000,000 have piled up in warehouses along the Atlantic seaboard.

But now, Secretary of Commerce Charles Sawyer has announced, licenses are again being issued for export of these goods.

The change means that official Washington is less afraid of immediate war. When the embargo was clamped down, Russia had just won a major victory in Czechoslovakia. Washington was in an acute state of jitters. Since then the policymakers in the capital have gradually shifted to the viewpoint that Russia is not ready for war.

The fact that resumption of trade relations with Russia went unnoticed by Congressmen is regarded as an indication that this country will again receive chrome and manganese from Russia which is needed in American preparation for war or defense, and that Russia will receive exports from the United States that she requires in her military preparations.

It seems as if Russia, which was pictured as about to attempt to take over the United States by force only a few months ago, is regarded as less of a menace as the election approaches.

Publishers Object To Impounding Information

Members of the Southeastern Pennsylvania Newspaper Association meeting in Philadelphia unanimously passed a resolution objecting to the action of the Montgomery County Court in impounding information on divorce proceedings, releasing only the names and addresses of the parties involved in the divorce, and asked that the resolution be called to the attention of the courts. The Pennsylvania Newspaper Publishers' Association and other newspaper publishers.

Publishers of the association held that the policy of what information should be published should be decided by the newspapers and not by a court censorship of news which opens the door to further censorship and threatens the constitutional guarantee of freedom of the press and speech.

Association newspaper publishers expressed concern over not only the threat of an expanding censorship of public news, but also over the damage caused by suppression of news which is of public interest. A former York County publisher cited the case of which publishing details of a divorce action revealed that many of the charges made by the libellant were perjured, and an aroused citizenry after reading the charges in the paper caused the arrest of the libellant and stopped the divorce; had the information been impounded, it is doubtful if the public would have become aware of the situation, it is stated.

The association's protest was ordered brought to the attention of President Judge Harold G. Knight, Montgomery County with an appeal for a reversal of the order.

Aeromodelers Ready For Big Event, July 11th

Members of the Bristol Aeromodelers were unable to hold their weekly Wednesday night meeting at Fleetwings field because there was no suitable flying site available. It is hoped that another field can be found where members may fly both free flight and control line.

Plans for the July 11th contest at Fleetwings field are nearly completed. Seven hundred dollars in prizes are now on hand for the 24 events to be held. The most interesting event will be free flight stunt. The entire field will be closed for the day to full-sized aircraft and the model flyers will have it all to themselves.

Another meet of great interest to all model builders is to be the Pennsylvania State Championship contest to be held on Sept. 26th at Whander Field, Reading. Events will be free flight classes A, B, C, D, Junior, Senior and Open. Control flight classes A, B, C, D, Junior, Senior and Open. Rubber-power combined classes, beauty event; towline glider, combined classes; CO2 power, combined classes; and a control stunt event, Junior, Senior and Open.

SHODDY MERCHANDISE

Is shabby making waste in Amer-
ican factories and have standards
of quality dropped? There is a
man in Cleveland who will give
an affirmative answer to these
questions. His name is Joseph D.
Fox and he is associated with the
Industrial Advisors Bureau Inc.

In a letter to Business Week,
Mr. Fox says his personal pur-

Mr. Fox hastens to admit that
he had no difficulty in having ad-
justments made. In some cases
his money was refunded. In the
others the defective merchandise
was made whole. But he still was
not compensated for the incon-
veniences suffered.

From this recital, explicit and
factual as it is, it must be con-
cluded that something has happened.
Whether it is the result of light-
ened demand for goods and a con-
sequent rush to get them to mar-
ket or whether it represents an
actual and conscious deterioration
of standards cannot be de-
termined.

TRADE WITH RUSSIA

The United States is doing

It seems as if Russia, which
was pictured as about to attempt
to take over the United States by
force only a few months ago, is
regarded as less of a menace as
the election approaches.

County Court in impounding in-
formation on divorce proceedings,
releasing only the names and ad-
dresses of the parties involved in
the divorce, and asked that the res-
olution be called to the attention of
the courts. The Pennsylvania News-
paper Publishers' Association and
other newspaper publishers.

Publishers of the association held
that the policy of what information
should be published should be de-
cided by the newspapers and not
be a court censorship of news which
opens the door to further censor-
ship and threatens the constitu-
tional guarantee of freedom of the
press and speech.

Association newspaper publishers
expressed concern over not only the
threat of an expanding censorship
of public news, but also over the
damage caused by suppression of
news which is of public interest.
A former York County publisher
cited the case of which publishing
details of a divorce action revealed
that many of the charges made by
the libellant were perjured, and an
aroused citizenry after reading the
charges in the paper caused the
arrest of the libellant and stopped
the divorce; had the information
been impounded, it is doubtful if
the public would have become
aware of the situation, it is stated.
The association's protest was or-
dered brought to the attention of
President Judge Harold G. Knight,
Montgomery County with an appeal
for a reversal of the order.

Aeromodelers Ready For Big Event, July 11th

Members of the Bristol Aeromod-
elers were unable to hold their
weekly Wednesday night meeting at
Fleetwings field because there was
no suitable flying site available. It
is hoped that another field can be
found where members may fly both
free flight and control line.
Plans for the July 11th contest
at Fleetwings field are nearly com-
pleted. Seven hundred dollars in
prizes are now on hand for the 24
events to be held. The most in-
teresting event will be free flight
stunt. The entire field will be closed
for the day to full-sized aircraft
and the model flyers will have it all
to themselves.

Another meet of great interest to
all model builders is to be the
Pennsylvania State Championship
contest to be held on Sept. 26th at
Whander Field, Reading. Events
will be free flight classes A, B, C.

reconvened last night, the outcome was known within 10 minutes when Sen. Robert A. Taft of Ohio and the other "stop Dewey" candidates withdrew and announced support for the New Yorker.

A torrential thunderstorm came with the break in the nominating crisis to ease the heat and humidity which lay over the convention city. Inside the vast hall, however, it went unnoticed in the drama and tumult of the third ballot decision.

Gov. Dewey was unanimously nominated on the third ballot. The "stop Dewey" coalition fell apart even before the roll could be called, leading contenders publicly releasing their delegates.

On the first ballot Mr. Dewey took a commanding lead, with 434 votes to 224 for Senator Taft, 151 for Harold E. Stassen and others or behind. On the second ballot he Dewey vote reached 515, thirty-three less than the required majority. Mr. Dewey would have been nominated on that ballot if the opposing group had not forced a recess and Senator Baldwin had not delayed switching Connecticut's vote to him.

Governor Dewey went immediately to the convention hall to accept the nomination. He told the delegates he had made not a single pledge to anyone to obtain the nomination. In a move to erase any battle scars, he paid tribute to his six rivals by name.

Hold Public Sale of Bank Stock Here Today

There was a public sale of stock of three Bucks County financial institutions in front of the Bristol Trust Company this morning, conducted by E. Newlin Brown, auctioneer.

There were 20 shares of capital stock of the Bristol Trust Company, 19 shares of Farmers National Bank stock, and five shares of Doylestown Trust Company stock.

There was quite a group of bidders on hand, and the Bristol Trust Company stock was bought by Lester Shoemaker, of Lahaska. It was sold in blocks of five shares each. The bidding on the first five shares started at \$70 and ended at \$110; the second block at \$100 to \$112; the third block, \$110 to \$113; the fourth block, \$110 to \$125.

J. D. Wilson, Bristol, bought ten shares of the Farmers National Bank stock, bidding \$79 for each of five shares which started at \$75, and \$78 for each of five shares which started at \$75. I. L. Rubin, Esq., purchased five shares which

started at \$75, ending at \$79. Horace N. Davis, Esq., purchased four shares at \$80 which started at \$75. J. Purdy Weiss, Doylestown, purchased five shares of the Doylestown Trust Company at \$190 a share. It started at \$180.

FIFTH WARD WINS

In a twilight league softball game last night, the Fifth Ward Sporting Club softball team downed the Auto Boys, 5-1, behind the fine pitching of "Reds" Liberator. He gave up but four scattered hits and struck out 12 men. It was the third consecutive mound win for the Fifth Ward strike-out ace.

NOTHING TO HIDE (IN)

AUSTIN, Tex., June 23 (INS)—A teenage patient recently escaped through a window from the Austin State Hospital, an institution for the insane. The escape was more or less routine, but hospital officials began to worry when no one reported seeing the boy in 48 hours. The patient had left without his clothes—all of them.

Hot Biscuits With Summer Dishes

"Is your biscuit technique as good as it might be?" Here is a question every homemaker should be able to answer in the affirmative, now that the season of fresh fruit shortcakes and new vegetables and greens for salads is at hand. There's no better accompaniment for salads than a hot, tender, flaky biscuit.

Reba Staggs, authority on biscuits as well as other cooking, has a few suggestions that insure biscuit success. First of all, she cautions, use quality ingredients. Next, keep these ingredients cold. Use lard and milk just as they come from the refrigerator. And to keep them cold, work with a pastry blender or two knives.

rather than the fingers. Cut the lard in until it is the consistency of cornmeal.

Handling of the dough should be at a minimum, but a brief 30-second period of kneading improves the texture of the biscuits.

Last, but not least, look to your laurels in biscuit variations, says Miss Staggs. Biscuits come in an infinite number of flavors and shapes, with the addition of other ingredients and by being baked in various shapes.

Incoming President of Rotary Gets Gavel

"The prospects for development of the United Nations Assembly are unlimited, and we must create a customer demand for this development so that the world can be made a decent place in which decent people can live in harmony and peace," was the message given local Rotarians at the Elks' Home yesterday afternoon when Richard Wood, prominent Quaker and president of the Peace Conference of New York, spoke on the subject, "The Progress and Prospects of the United Nations."

Incoming president Warren Woodruff received the gavel from the retiring chairman, Keller Fox. Woodruff asked for the same splendid cooperation of members which Fox received during his term as president.

"Rotary is doing a splendid job of creating a consumer demand for a constructive program of world organization which will promote a real peace in the world," Wood declared.

"The prospects of the United Nations in the future are much greater than they have been in the past. It is not yet, however, a world power. Governments are not made overnight... they just grow. The Assembly of the United Nations has unlimited possibilities before it."

"This development of the United Nations in its growth towards a world organization has great possibilities, area by area, and problem by problem," Wood said.

At the conclusion of his talk Wood answered questions for members.

Name Two Delegates To The State 8 'n' 40 Convention

Named as delegates to the 8 'n' 40 state convention at Philadelphia in August from Bucks County Salon, No. 74, are Mrs. Jane Daub, Burlington, N. J., and Mrs. Gilbert Bonnell, Langhorne R. D. The delegates were selected at a meeting of Bucks Salon in Bracken Post home on Wednesday evening.

Mrs. Daub was the presiding officer, she calling for committee reports. Cigarettes are to be sent to patients in one of the veterans hospitals. Members postponed a day's outing at Salem, N. J., until August.

The July session will be at the home of Mrs. Harry Heller, Trevese. Mrs. Marvel Durham, Mrs. Leo Riley and Mrs. Walter Strouse served refreshments.

Today's Quiet Moment

By the
Rev. Vernon M. Murray, Jr.,
Pastor,
Wilkinson Memorial Methodist
Church, Croydon.

Grant us peace, Thy most precious gift, O Thou eternal source of peace. Bless our country, that it may ever be a stronghold of peace, and the advocate of peace in the councils of nations. May contentment reign within its borders, health and happiness within its homes. Strengthen the bonds of friendship and fellowship between all the inhabitants of our land. Plant virtue in every soul, and may the love of Thy name hallow every home and every heart. Praise be to thee, O Lord, giver of peace. Amen.

home Tuesday evening. Following a social time, refreshments were served. Decorations were in pink and blue with a bouquet of roses and snapdragons arranged in a watering can as the centerpiece. Favors were baby carriages filled with candy. Guests present included: Mrs. Elizabeth Cook, Mrs. Edward Cook, Mrs. Robert Mead, Mrs. Lawrence Hufnell, Mrs. Luther Hildendorff, Mrs. Marvin Collins, Mrs. Henry Kornstedt, Mrs. Bruce Peltz, Jr., Mrs. Bruce Peltz, Sr., Mrs. William Garnet, Mrs. Mildred Lombardo, Mrs. James Lombardo and Miss Myrtle Peltz.

Mr. and Mrs. Edward Nowack and daughters, "Peggy Lou" and Rita, of Madison street, were Saturday guests of Mr. and Mrs. John Kreegan, Philadelphia.

Mrs. Harry Oliver, Beaver street, is a patient at St. Luke's Hospital, Philadelphia, where she is receiving treatment.

Joyce Grotz, daughter of Mr. Ethel Grotz, Trenton avenue, observed her ninth birthday anniversary last week at a party at her home. Games were enjoyed and refreshments served. Decorations were in blue and white. Those present: Audrey and Harry Lautz, Edward Carson, "Billy" Mershon, Helen McGinnis, Nancy Adams, John, William and Shirley Grotz.

At a card party for benefit of Junior Catholic Daughters of America, conducted in the K. of C. Home, Tuesday evening, 12 tables of pinocle and three tables of bridge players were arranged. High scores for pinocle were listed by: Edith Bell, Pond street, at the latter's Hall, 804; W. Shores, 763; Mrs.

Irene Sharp, 757; Henry Eckhoff, 747; H. R. Johnson, 747. High scorers in bridge: Mrs. George Ficht, 4250; Mrs. Robert Wilkins, 4650; Charlotte Brill, 3940.

Members of St. James Circle and their families partook of a covered dish supper on Tuesday evening in the parish house. The occasion was also the Rev. George Boswell's birthday anniversary. A large decorated cake was the centerpiece. A business meeting followed, presided over by Mrs. Walter Pitzenka. There were 35 present.

Mr. and Mrs. Walter Pitzenka, Oxford Valley road, recently entertained at dinner in honor of their son, Walter, Jr., who graduated from George School, Newtown. Guests present were: Mr. and Mrs. Fred Boyer, William and Donald Boyer, of Hamilton, O., and Miss Dorothy Spring, Philadelphia.

Mr. and Mrs. Thomas Long and family, Wilson avenue, were Saturday guests of Mr. and Mrs. Harry Morgan, Yeadon.

Mrs. Romeo Cataline and son Michael, Tacony, were Tuesday guests of Mr. and Mrs. Frank Flatch, Filmore street.

Mr. and Mrs. Thomas Doran, Beaver street, spent last week at Spray Beach, N. J.

Mr. and Mrs. Elwood LeCompte and daughter Carol, Mr. and Mrs. Joseph Buss and son "Jack," Wilson avenue, spent Sunday at Willow Grove.

WHY "Stepping Down" IS SO IMPORTANT TO YOU

Hudson amazes motor-car world by using vital "step-down" zone—not available in any other car—to bring you riding qualities and safety beyond anything known before!

Word's going "round-and fast, too—that Hudson gives you a "sweet," smooth, safe ride that is a new high in motor-car performance!

Perhaps you've heard pleased and proud Hudson owners talking about this exciting new experience, but here's something you may have missed hearing:

The key to this amazing new ride lies in that area just under the floor of the average car, which in the New Hudson becomes the "step-down" zone—as illustrated in the sketches at the right.

This "step-down" zone is all-important, because experience has shown that the lower to the ground a car can be built, the better it will handle, the more stability it will have, the safer it will be, and thus the more enjoyable and comfortable will be your ride.

Hudson, and Hudson alone, has accomplished a near miracle of low-built streamlining and smooth, safe, comfortable riding with a new type of base frame which surrounds the passenger compartment, and thus permits the floor to be lowered down within it. Recessing the floor creates the "step-down" zone and a center of gravity that is the lowest

in any American stock car—yet road clearance is ample!

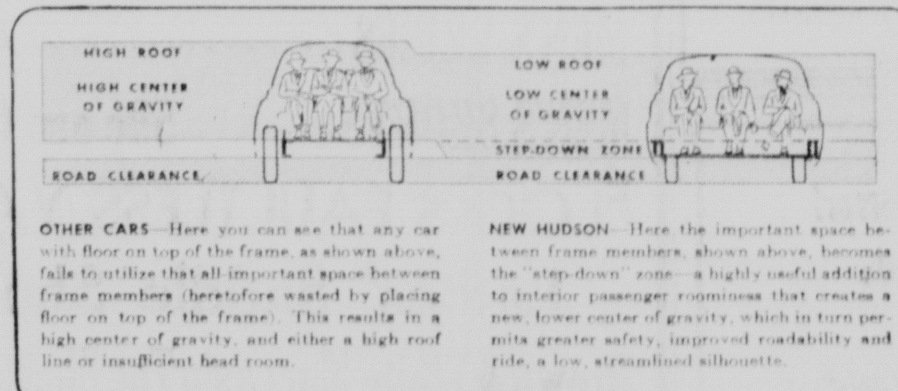

That's why Hudson has a hug-the-road way of going, even in cross-winds, and on every conceivable kind of highway. When you see how this car takes even the sharpest curves, it will spoil you for any other type of automobile! You sense this delightful conformity to the road the minute you begin your ride; and this stability, plus the protection of riding encircled by a sturdy box-section steel frame, gives you a grand feeling of safe well-being.

Sitting in this car is as downright satisfying as stretching out in your favorite easy chair. You ride on seats that are lowered and cradled ahead of the rear

wheels and, even with its low silhouette, this breathtakingly beautiful motor car gives you more head room than any other mass-produced car built today! Hudson's use of the vital "step-down" zone in its exclusive, all steel Monobuilt body-and-frame is a development that required years of engineering work, the perfection of new production techniques, and millions of dollars in highly specialized new plant investment. Perhaps this explains why Hudson alone offers this new design principle today.

The nearest Hudson dealer has a booklet —yours for the asking—which explains how "stepping down" brings you advantages beyond anything known before! Hudson Motor Car Co., Detroit 14.

*Trade mark and patents pending.

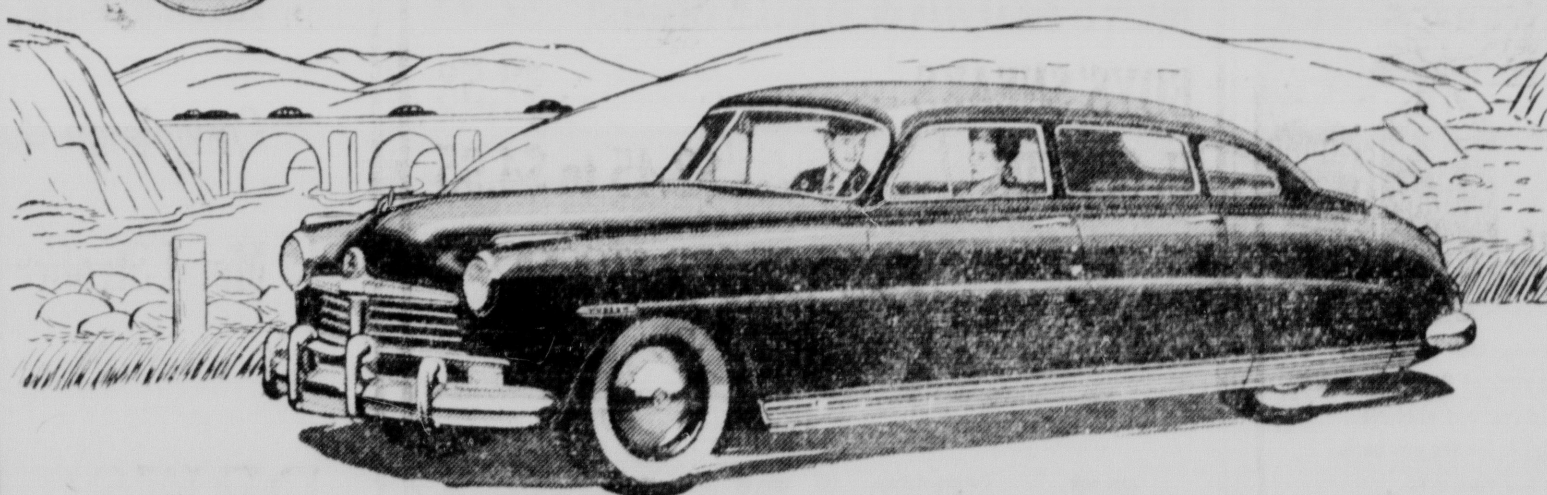

OTHER CARS—Here you can see that any car with floor on top of the frame, as shown above, fails to utilize that all-important space between frame members therefore wasted by placing floor on top of the frame. This results in a high center of gravity, and either a high roof line or insufficient head room.

NEW HUDSON—Here the important space between frame members, shown above, becomes the "step-down" zone—a highly useful addition to interior passenger roominess that creates a new, lower center of gravity, which in turn permits greater safety, improved roadability and ride, a low, streamlined silhouette.

This time it's Hudson

Sportsmen's Briefs
BY JOE ELBERSON

Just five more days . . . next Thursday, July 1st, the most important fresh water fishing season of the year for the majority of local anglers will be ushered in when the 1948 bass and pickerel seasons open.

And if past years provide any clues as to what will happen, then the Canal and Silver Lake will see dozens of hopefuls abroad at 12:01 p. m. Thursday morning.

The Canal is in excellent condition and will probably provide the most sport and the most fish on opening day. Silver Lake and Maple Beach should also give up some fish (providing it stops raining for a little while).

Bass must be at least nine inches long to be creel. Pickerel must be at least 12 inches in length. Daily creel limit for each species is six fish.

Results . . . the Edgely Rod & Gun Club retained its 16-point lead, gained in the first match of the 1948 Lower Bucks County Trapshooting League, when the second round was shot over the traps of the Newportville Rod & Gun Club last Sunday afternoon. The Edgely boys turned in a score of 228 in the second shoot, as did the squad from the Bristol Fish & Game Protective Association, the second place club in the League at the present time.

New Hope moved up into third position, while Newportville and Woodmont follow in that order.

The team scores for the first two matches are: Edgely, 462; Bristol, 446; New Hope, 423; Newportville, 421; and Woodmont, 405.

Here are the five high scores for each team in the matches held last Sunday—Edgely: J. McNe, 17; J. Thompson, 17; J. Kish, 15; F. R. Davies, 15; E. Ely, 14; Bristol: H. Webster, 18; R. Robinson, 18; J. Katz, 15; L. Robinson, 14; G. Cobleigh, 13.

Newportville: E. Bekes, 46; C. Ashton, 46; W. Doran, 41; C. Conner, 40; G. Applegate, 40; New Hope: A. Kirk, 18; R. Kaufman, 15; L. Estep, 14; F. Jones, 14; T. Ewer, 13; Woodmont: G. Stockberger, 45; T. Mason, 42; H. Hansel, 40; J. Yates, 39; F. Haveland, 38.

The next League shoot will be held over the New Hope traps on July 25th.

No bass, but . . . George Colville, Harry Bousler and I went bass fishing in the upper Delaware River (between Milford, Pa. and Fort Jervis, N. Y.) last week-end.

We drove the first 80 miles of the trip in the rain, debating the whole time whether to continue or turn around and come home. We continued on, however, and Sunday turned out to be a perfect day (as far as the weather was concerned).

The River was high and slightly riled but we were hopeful when we cast off from the boat landing.

We didn't catch any bass. Nobody else caught any bass. But we did get walleyed pike, fallfish and several monstrous eels.

Honors for the catch of the day were shared by two other anglers. One chap, while trolling, hooked and landed an 8-pound walleye. The other was a beautiful five-pound rainbow trout landed by a feminine angler.

Shoot . . . this Sunday, June 25th, the Edgely Rod & Gun Club will hold an open blunderbuck target shoot over the club trap, beginning at one p. m. Everyone welcome to participate.

Not too good . . . the weather is rightly being blamed by local fishermen as the cause of the lean catches being made. Some calico bass were taken this week at Silver Lake, while Maple Beach has been producing some catfish and a number of carp.

ST. ANN'S DEFEATS HIBERNIANS AND MOVES NEAR TOP

St. Ann's A. A. hit the ball hard last evening before a large crowd on Memorial Park field as it defeated the Hibernians, 10-3, in a Suburban League game. The win moved the "Saints" to within one-half game of the league-leading Goodwill Hose team.

Sixteen hits sang out from the St. Ann's bats and in the fifth, the Avond Streeters let go with such a fury of base knocks that the Hibboes were dropped into fourth place in the circuit. Seven hits and six runs were made by the ultimate winners in this frame.

"Lou" Sassi paced the hitting attack of the "Saints" by getting three hits in the same number of trips to the plate. "Chick" Ciadella, Bert Barbetta, Ludwig, Pappalterra, and Fred Barbetta had two bingles each with Fred Barbetta and Ludwig extra base hits.

FIVE RUNS SCORED IN THE 5TH WINS FOR DEMOCRATS

Five runs in the fifth frame enabled the Democrat Club to beat the Langhorne Legion, 8-6, last evening on Leodon's field and climb into third place in the Bristol Suburban League.

The five-run uprising chased "Sparrow" Darrah off the mound and "Charlie" Martindell finished. "Mickey" Mandio opened the rally inning with a triple and also ended the rally by fanning. The Democrats made four hits in the frame

and also had a walk and took advantage of an error.

FIGHT FIRE WITH FOG

LANARK, Ill., June 23 (INS)—A new two-and-a-half ton firetruck which throws either fog or heavy streams of water recently was bought by the Lanark fire department. The truck was specially built to meet specifications of a committee which studied the community's needs, and, according to

Sportsmen's Briefs

By JOE ELBERSON

Just five more days . . . next Thursday, July 1st, the most important fresh water fishing season of the year for the majority of local anglers will be ushered in when the 1948 bass and pickerel seasons open.

And if past years provide any clues as to what will happen, then the Canal and Silver Lake will see dozens of hopefuls abroad at 12:01 a. m. Thursday morning.

The Canal is in excellent condition and will probably provide the most sport and the most fish on opening day. Silver Lake and Maple Beach should also give up some fish (providing it stops raining for a little while).

Bass must be at least nine inches long to be creel. Pickerel must be at least 12 inches in length. Daily creel limit for each species is six fish.

Results . . . the Edgely Rod & Gun Club retained its 16-point lead, gained in the first match of the 1948 Lower Bucks County Trapshooting League, when the second round was shot over the traps of the Newportville Rod & Gun Club last Sunday afternoon. The Edgely boys turned in a score of 228 in the second shoot, as did the squad from the Bristol Fish & Game Protective Association, the second place club in the league at the present time.

New Hope moved up into third position, while Newportville and Woodmont follow in that order.

The team scores for the first two matches are: Edgely, 462; Bristol, 446; New Hope, 423; Newportville, 421; and Woodmont, 405.

Here are the five high scores for each team in the matches held last Sunday—Edgely: J. McNe, 47; J. Thompson, 47; J. Kish, 45; F. R. Davies, 45; E. Ely, 44. Bristol: H. Webster, 48; H. Robinson, 48; J. Katz, 45; L. Robinson, 44; G. Coleigh, 43.

Newportville: E. Bakes, 46; C. Ashton, 46; W. Doran, 44; C. Conner, 40; G. Applegate, 40. New Hope: A. Kirk, 48; R. Kaufman, 47; L. Estep, 46; F. Jones, 45; T. Ewer, 42. Woodmont: G. Stockberger, 45; T. Mason, 42; H. Hansel, 40; J. Yates, 39; F. Haveland, 38.

The next League shoot will be

held over the New Hope traps on July 25th.

No bass, but . . . George Colville, Harry Bossler and I went bass fishing in the upper Delaware River (between Milford, Pa., and Port Jervis, N. Y.) last week-end.

We drove the first 80 miles of the trip in the rain, debating the whole time whether to continue or turn around and come home. We continued on, however, and Sunday turned out to be a perfect day (as far as the weather was concerned).

The River was high and slightly riled but we were hopeful when we cast off from the boat landing.

We didn't catch any bass. Nobody else caught any bass. But we did get walleyed pike, fallfish and several monstrous eels.

Honors for the catch of the day were shared by two other anglers. One chap, while trolling, hooked and landed an 8-pound walleye. The other was a beautiful five-pound rainbow trout landed by a feminine angler.

Shoot . . . this Sunday, June 27th, the Edgely Rod & Gun Club will hold an open blue-rock target shoot over the club trap, beginning at one p. m. Everyone welcome to participate.

Not too good . . . the weather is rightly being blamed by local fishermen as the cause of the lean catches being made. Some calico bass were taken this week at Silver Lake, while Maple Beach has been producing some catfish and a number of carp.

BRISTOL A. C. TO PLAY

The undefeated Bristol A. C. team will attempt to extend its winning streak tomorrow afternoon, meeting the Lakehurst Naval Station nine on Memorial Park field. Starting time will be 2:30 o'clock.

ST. ANN'S DEFEATS HIBERNIANS AND MOVES NEAR TOP

St. Ann's A. A. hit the ball hard last evening before a large crowd on Memorial Park field as it defeated the Hibernians, 10-3, in a Suburban League game. The win moved the "Saints" to within one-half game of the league-leading Goodwill Hose team.

Sixteen hits sang out from the St. Ann's bats and in the fifth, the Wood Streeters let go with such a fury of base knocks that the Hibbies were dropped into fourth place in the circuit. Seven hits and six runs were made by the ultimate winners in this frame.

"Lou" Sassi paced the hitting attack of the "Saints" by getting three hits in the same number of trips to the plate. "Chick" Clacella, Bert Barbeta, Ludwig, Pappaterra, and Fred Barbeta had two bingles each with Fred Barbeta and Ludwig extra base hits.

FIVE RUNS SCORED IN THE 5TH WINS FOR DEMOCRATS

Five runs in the fifth frame enabled the Democrat Club to beat the Langhorne Legion, 8-6, last evening on Leedom's field and climb into third place in the Bristol Suburban League.

The five-run uprising chased "Sparrow" Darrah off the mound and "Charlie" Martindell finished. "Mickey" Mandio opened the rally inning with a triple and also ended the rally by fanning. The Democrats made four hits in the frame

and also had a walk and took advantage of an error.
